RE: **EM-AT&T-119-220725** – AT&T notice of intent to modify an existing telecommunications facility located at 47 Inwood Road, Rocky Hill, Connecticut.

Dear Mr. Andrews:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on July 25, 2022. Council staff reviewed this request for completeness and had identified a deficiency that was more fully described in a notice of incompleteness letter to Centerline Communications dated August 16, 2022, and recommended that Centerline Communications provide documentation of the original facility approval and any conditions of such approval or correspondence with the Town of Rocky Hill stating that the town no longer retains records of its decision on or before September 13, 2022.

To date the Council has not received the requested information. Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in blue ink, appearing to read "Melanie Bachman".
