RE: **EM-VER-119-220609** - Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 699 West Street, Rocky Hill, Connecticut.

Dear John Coleman:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on June 9, 2022. Council staff reviewed this request for completeness and had identified a deficiency that was more fully described in a notice of incompleteness letter to the requesting entity dated July 8, 2022 and recommended that Centerline Communications provide an updated Structural Analysis Report for the facility that includes proposed and approved equipment by Verizon and other entities that are located at this facility and construction drawings for this facility on or before August 8, 2022. On August 23, 2022, the Council granted an additional 30-day extension of time to submit the requested information. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

A handwritten signature in dark ink, appearing to read "Melanie Bachman".
