RE: **EM-SPRINT-121-180131** – Sprint notice of intent to modify an existing telecommunications facility located at 153 East Haddam Road, Salem, Connecticut.

Dear Mr. Perkowski:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on January 31, 2018. Council staff reviewed this request for completeness and had identified a deficiency that was depicted in a letter to the requesting entity dated February 9, 2018 and recommended that Airosmith Development provide an Updated Structural Analysis Report including the additional mount hardware on or before March 12, 2018. To date, the Council has not received the requested structural analysis.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies.

Sincerely,

Melanie Bachman
Executive Director
