Re:      Application #:            EM-AT&T-124-220908  
         Project Type:            New Equipment Installation on Existing Telecommunications Site  
         AT&T Site #:                CTL05633  
         AT&T Site Name:          Seymour East  
         Site Address:                6 Progress Ave.  
                                            Seymour, CT 06483

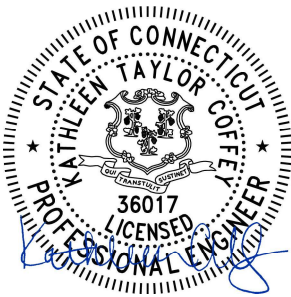

To Whom It May Concern:

Construction has been completed for the above referenced project. Based upon my review of completed work I found no major or significant deviations from approved construction drawings by Fullerton Engineering, dated 8/11/2022.

Overall, the installation was done in compliance with the governing codes and accepted industry practices, and I find it acceptable.

Respectfully,

**Kathleen T. Coffey, P.E.**
