Re: **EM-VER-124-150410 – Cellco Partnership d/b/a Verizon Wireless
6 Progressive Avenue, Seymour, Connecticut**

Dear Ms. Bachman:

On May 6, 2015, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 6 Progressive Avenue in Seymour, Connecticut. Due to delays in its antenna modification program and shifting budget priorities, Cellco has not yet completed the approved antenna modifications at this site. We are, therefore, requesting an extension of one (1) year to complete these facility modifications.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
