RE: **EM-CING-125-191101** - New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 70 Herb Road, Sharon, Connecticut.

Dear Ms. Iliades:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on November 1, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the request. The construction drawings (CD) prepared by Hudson Design Group, LLC and last revised on October 3, 2019 references a mount analysis (MA) prepared by Hudson Design Group, LLC and dated August 15, 2019 (Rev.1). This is inconsistent with the mount analysis provided with the request which is dated August 12, 2019.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications, LLC provide the most up to date mount analysis that is consistent with the rest of the request or a CD that is consistent with the MA provided, on or before December 6, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to December 6, 2019. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director

MAB/IN/emr
