Dear Ms. Bachman:

On July 12, 2016, the Siting Council (“Council”) acknowledged receipt of EM-VER-126-160621, Cellco’s notice of intent to modify its existing telecommunications facility at 162 Birdseye Road in Shelton, Connecticut. The purpose of this letter is to notify the Council that the facility modifications approved in that filing will not be completed. Cellco will not, therefore, be supplying the Council with a PE letter with the required construction completion letter.

If you have any questions please contact me.

Sincerely,

Kenneth C. Baldwin
