Telecommunications Facility, 459 Burr Road, Southbury, Connecticut**

Request for Extension and Notice of Commencement of Construction

Dear Attorney Bachman:

On March 14, 2024, the Siting Council approved the above-referenced request by Cellco to modify its existing telecommunications facility at 459 Burr Road in Southbury, Connecticut. Cellco expects to commence construction of the facility modifications on or about February 10, 2025, and provides this notice in accordance with Condition No. 8 of the Siting Council's approval. Cellco will not, however, complete the approved modifications by the March 14, 2025 deadline and, therefore, is requesting an extension of six (6) months to complete the work.
