RE: **EM-AT&T-131-220728** – AT&T notice of intent to modify an existing telecommunications facility located at 1394 Meriden Waterbury Turnpike, Southington, Connecticut.

Dear Ersilia Davis:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on July 28, 2022.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the Structural Analysis Report provided with the filing. The Structural Analysis Report provided is dated June 23, 2022. The Council received a request for an exempt modification from Celco Partnership d/b/a Verizon Wireless for the same facility on July 8, 2022.

The above-referenced request for exempt modification does not include Verizon's proposed equipment. Please see Verizon's exempt modification filing for this facility, which may be found on the Council's website under the Decisions page in Southington under the filing number EM-VER-131-220708.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that AT&T provide an updated Structural Analysis Report for the facility that includes AT&T's proposed equipment and proposed equipment by Verizon and other entities that are located at this facility on or before September 15, 2022. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 15, 2022. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

A handwritten signature in dark ink, appearing to read "Melanie Bachman". The signature is fluid and cursive, with the first name "Melanie" written in a larger, more prominent script than the last name "Bachman".
