RE: **EM-AT&T-131-170626** – AT&T notice of intent to modify an existing telecommunications facility located at 500 Queen Street, Southington, Connecticut.

Dear Mr. Barbadora:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on June 26, 2017.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in notification to the chief elected official of the municipality and the property owner. In accordance with the memorandum issued by the Council dated June 22, 2017, a copy of the exempt modification notice and the attachments are to be physically mailed to the chief elected official of the host municipality and the underlying property owner and proof of such mailing shall be submitted to the Council with the exempt modification request. The Council's June 22, 2017 memorandum is attached for your convenience.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Crown Castle mail the exempt modification request with the attachments to the chief elected official of the host municipality and the underlying property owner and provide proof of such notice to the Council on or before July 12, 2017. If additional time is needed to complete the notification and provide proof to the Council, please submit a written request for an extension of time prior to July 12, 2017.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Very truly yours,

Melanie Bachman

Good afternoon.

I received a call from Robin Edwards, Corporation Counsel for the City of Danbury. She was concerned about how notice of this request was provided to the City and indicated that it appeared the request was submitted through their "311 service?" From their website, this appears to be a City Service Request Form. I snipped the link to it below for your convenience. The cover letter indicates that a copy was sent to the Mayor and the Director of Planning. Could someone please confirm that a copy of the letter was actually sent rather than submitted to the "311 service" when you have a chance?

Thanks.
