Good Morning- Please find attached the PE Close out letter addressed to the CSC on 4/24/2020. Please advise if this is sufficient to close out Sprint's exempt modification filing EM-Sprint-131-190404. Should you require anything in addition please feel free to contact me directly.

Thank you.

Tom

Re: Letter of Completion
Sprint Site Cascade: CT52XC108
Sprint Site Name: STTN - Southington
Site Address: 80 Shuttle Meadow Road
Southington, CT 06489
Hartford County

To Whom It May Concern:

Infinigy has reviewed construction photos and contractor redlined as-built drawings, provided by Sprint, of the site at the aforementioned location. Construction appears to have been completed in general conformance with the Construction Drawings Rev. 1 dated September 25, 2019 by Infinigy Engineering, PLLC and redlined by MasTec Network Solutions, dated February 3, 2020 with the following minor deviation:

- Six (6) Nokia AHCC RRH units for 850 were installed instead of the specified six (6) 800 MHz 2x50W RRH units w/ filters (typical at each sector).

The installation appears to have been completed in general conformance with the structural recommendations provided in the Mount Analysis Report by Infinigy Engineering, PLLC dated January 8, 2019 and in accordance with all state and local building codes.

Please call me at 518.690.0790 should you have any questions on the matter.

Sincerely,
Infinigy
