EM-VER-131-211105 – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 625 Spring Street, Southington, Connecticut.

Verizon Wireless – 2nd Quarter 2022 Audit Extension Requests

Dear Domenica Tatasciore:

The Connecticut Siting Council (Council) is in receipt of your correspondence of August 1, 2023, submitted on behalf of Verizon Wireless, requesting extensions of time to submit notices of completion of construction and associated post modification inspection reports for the above-referenced exempt modifications.

The Council hereby grants an extension of time until August 1, 2024, to submit notices of completion of construction and associated post modification inspection reports, if applicable.

This extension is granted with the understanding that the Council will be notified should Verizon Wireless need additional time to submit notices of completion and associated post modification inspection reports, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Executive Director
