**Monopole**

Dear Nicholas Curry,

*B+T Group* is pleased to submit this “**Construction Completion Letter**” regarding the above mentioned Monopole.

We reviewed the photographs of the telecommunications equipment installed on the Monopole, taken on May 7, 2021. Based on the photographs provided, As- Built by ATEC Wireless dated May 13, 2021 and the construction drawings by B+T Group dated December 21, 2020, this telecommunications site has the following antennas and associated equipment installed in three sectors on the Monopole.

- (9) New Antennas
- (6) New Radios
- (3) New Diplexers
- Modify Mount

The quantities and types of antennas and associated equipment from the photographs are in compliance, therefore, it is our opinion that the antennas and associated equipment were properly installed.

We at *B+T Group* appreciate the opportunity of providing our continuing professional services to you and *Crown Castle*. If you have any questions or need further assistance on this or any other projects, please give us a call.
