Dear Ms. Mulligan:

The Connecticut Siting Council (Council) is in receipt of your letter dated September 25, 2015, submitted on behalf of Sprint, requesting an extension of time to submit notices of completion of construction and associated post modification inspection reports for the above-referenced exempt modifications.

The Council hereby grants a 60-day extension of time to January 1, 2016 to submit notices of completion of construction and associated post modification inspection reports for the above-referenced exempt modifications.

This extension is granted with the understanding that the Council will be notified should Sprint need additional time to submit notices of completion and associated post modification inspection reports or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
Acting Executive Director
