**RE: Exempt Modification and Tower Share Conditions and Notification of Completion, 2<sup>nd</sup> Quarter 2014**

\* **EM-SIRIUS-135-140527** – Sirius XM Radio, Inc. (SXM) notice of intent to modify an existing telecommunications facility located at 168 Catoona Lane, Stamford, Connecticut.

Dear Mr. McInturf:

The Connecticut Siting Council (Council) acknowledges modifications to telecommunications facilities that satisfy the exemption criteria under Regulations of Connecticut State Agencies §16-50j-72. The Council also approves requests for shared use of existing telecommunications facilities that satisfy the criteria under Connecticut General Statutes §16-50aa and Regulations of Connecticut State Agencies §16-50j-89. The Council routinely imposes standard conditions in acknowledgments of exempt modifications and approvals of tower share requests, including a requirement that notification be provided to the Council upon completion of construction. The Council may also add site-specific conditions in acknowledgments of exempt modifications and approvals of tower share requests that require the requesting entities to provide written confirmation to the Council that the conditions have been met.

Council staff has conducted an audit of the exempt modifications and tower share decisions from April 1, 2014 through June 31, 2014, and has identified deficiencies in written notification of completion of construction and/or written notification of compliance with site-specific conditions. The above referenced exempt modification is currently not in compliance with the conditions imposed by the Council.

The Council hereby requests evidence of compliance on this matter before the close of business on November 1, 2015. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 1, 2015.

If you have any questions or concerns, please call the Council office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,

Melanie Bachman  
Acting Executive Director
