RE: Non-Compliance with Council April 19, 2023 Requirement – Representative Photographs

Dear Barbara Kassabian:

The Connecticut Siting Council (Council) received notice of completion of construction for multiple facilities on June 27, 2023. Thank you for providing this information.

On April 19, 2023, the Council issued a memorandum requiring completion notices to include a representative photograph of the facility modification. Please see attached memorandum.

Therefore, the completion notices are not in compliance with the April 19, 2023 requirement.

The Council recommends that Verizon Wireless provide the above referenced representative photographs on or before July 31, 2023. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to July 31, 2023.

If you have any questions or concerns, please call the Council office at 860-827-2935.

Thank you for your attention to this matter.

Sincerely,
