Re: **EM-VER-135a-200529 – Cellco Partnership d/b/a Verizon Wireless
Telecommunications Facility, 370 West Main Street, Stamford, Connecticut**

Completion of Construction

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced Cellco Partnership d/b/a Verizon Wireless facility modification has been completed.

As required by the Council's EM-VER-135a-200529 approval, attached is a letter from On Air Engineering, LLC, dated May 9, 2022, verifying that Cellco's facility modifications were completed in accordance with the February 21, 2020 Mount Analysis.

If you have any questions or need any additional information regarding this facility, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin

Re: Verizon Site Name: Stamford W CT – Antenna Modification
ANTMO CBRS - Engineering Letter of Compliance
Storage Works LLC Rooftop Self-Support Lattice Tower; 370 W. Main St., Stamford, CT

Engineer of Record: On Air Engineering, LLC
Structural Engineer: Paul J. Ford & Company

CSC Reference #: EM-VER-135a-200529

Dear Andrew:

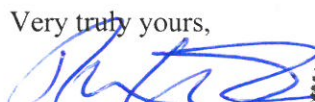

We are providing this letter of compliance with regard to the above referenced project. The following are the basis for substantiating compliance with this modification:

- Construction Drawings by On Air Engineering dated 2-24-20 V2
- Mount Structural Analysis Report by Paul J. Ford & Company dated 2-21-20
- Structural Analysis Report by Paul J. Ford & Company dated 2-24-20
- Field observations by On Air Engineering, LLC personnel on 5-6-22
- Post-construction photos (at antenna level) provided by the General Contractor

Verizon's facility modification is described in detail within the above referenced Construction Drawings as it pertains to Verizon antenna, RRH, OVP and cabling upgrades, including minor structural adjustments to the antenna frame tie-backs. No other structural upgrades were required.

The work under this contract has been reviewed and found, to the Engineer's best knowledge, information and belief, to be completed in general compliance with the referenced documents and in conformance with the building permit issued for this work. Please feel free to contact our office if you have any questions.

Very truly yours,

David A. Weinpahl, P.E.
