Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 7, 2018, submitted on behalf of Verizon, requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a one-year extension of time until August 14, 2019, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

Dear Ms. Bachman:

On August 14, 2017, the Siting Council acknowledged Cellco's request for modifications to the existing telecommunications facility at 55 Coogan Boulevard in Stonington, Connecticut. Cellco has not yet completed the approved modifications at this site and, therefore, requests an extension of the Council's approval for an additional twelve (12) months, to August 14, 2019.

If you have any questions please do not hesitate to contact me.
