Re: **EM-VER-138-200121 – Cellco Partnership d/b/a Verizon Wireless
630 James Farm Road, Stratford, Connecticut**

Dear Ms. Bachman:

On March 2, 2020, the Siting Council acknowledged Cellco's request for modifications to the existing telecommunications facility at 630 James Farm Road in Stratford, Connecticut. The purpose of this letter is to notify the Council that Cellco will not be making the facility modifications approved in EM-VER-138-200121. Cellco will not, therefore, be supplying the Council with a PE Letter and construction completion notification.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
