RE: **EM-T-MOBILE-138-230911** - T-Mobile notice of intent to modify an existing telecommunications facility located at 23 Stonybrook Road, Stratford, Connecticut.

Dear Eric Breun:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on September 11, 2023.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the construction drawings dated September 6, 2023 provided with the filing. The construction drawings cite the 2018 Connecticut State Building Code (CSBC); however, the State of Connecticut has adopted the 2022 CSBC effective October 1, 2022.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that T-Mobile provide updated construction drawings that comport with the current 2022 CSBC on or before October 31, 2023. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to October 31, 2023. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
