RE: SNET Cellular, Inc., Notice of Intent to Modify An
Exempt Tower and Associated Equipment Owned by
Tele-Media Compay of Northeastern Connecticut in the
Town of Thompson, Connecticut.

Dear Attorney Tyrrell:

At a meeting held on April 30, 1990, the Connecticut
Siting Council acknowledged your notice of intent to
modify an exempt tower and associated equipment owned by
Tele-Media Company of Northeastern Connecticut located in
Thompson, Connecticut, pursuant to Section 16-50j-73 of
the Regulations of State Agencies (RSA).

The proposed modifications are to be implemented as
specified in you notices dated April 16 and 20, 1990. As
proposed, the modifications are in compliance with the
exception criteria specified in RSA 16-50j-72 as changes
to an existing facility site that do not increase the
tower height, extend the boundaries of the tower site,
increase noise levels at the tower site boundary 6
decibels, and add radio frequency sending or receiving
capability which increases the total radio frequency
electromagnetic radiation power density measured at the
tower site boundary to or above the standard adopted by
the State Department of Environmental Protection pursuant
to Section 22a-162 of the Connecticut General Statutes.

The Council is pleased to note that the shared use of an
existing tower serves the Council's long-term goal of
protecting the public interest by avoiding proliferation
of additional tower structures.

Please notify the Council upon completion of construction.

Very truly yours,

Gloria Dibble Pond
Chairperson
