Notice of Compliance with Conditions and Construction Completion

Dear Attorney Bachman:

The Connecticut Siting Council (Council) hereby acknowledges your notice to modify this existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies with the following conditions:

1. Panel antennas to be installed on the tower shall be flush-mounted or attached to the tower using T-arm mounts consistent with condition No. 1 of the Council's Decision and Order in Docket No. 344;
2. Prior to T-Mobile's antenna installation, the antenna mount modifications shall be installed in accordance with the Mount Analysis prepared by Tower Engineering Solutions, dated July 31, 2019 and stamped and signed by Hanming You;
3. Within 45 days following completion of equipment installation, T-Mobile shall provide documentation certified by a Professional Engineer that its installation complied with the recommendations of the Mount Analysis;
4. Any deviation from the proposed modification as specified in this notice and supporting materials with the Council shall render this acknowledgement invalid;
5. Any material changes to this modification as proposed shall require the filing of a new notice with the Council;
6. Within 45 days after completion of construction, the Council shall be notified in writing that construction has been completed;
7. Any nonfunctioning antenna and associated antenna mounting equipment on this facility owned and operated by T-Mobile shall be removed within 60 days of the date the antenna ceased to function;
8. The validity of this action shall expire one year from the date of this letter; and
9. The applicant may file a request for an extension of time beyond the one year deadline provided that such request is submitted to the Council not less than 60 days prior to the expiration.

The attached PE Closeout Letter dated January 4, 2021 provides evidence of compliance with the conditions outlined by the Council. In addition, T-Mobile hereby notifies the Council that construction of the acknowledged modifications were complete as of September 25, 2020.

Sincerely,

Victoria Masse

To Whom It May Concern,

Infinigy has conducted a post construction review of the above-mentioned site. Infinigy has prepared the drawings for the above-mentioned site and as such, we have conducted a final review of the proposed installation for the sole purpose to verify that the installation was completed in accordance with the site plans.

Based on our review of the Signed and Sealed Engineering Drawings for this site completed by Infinigy (Revision 0, Dated 09/23/19), contractor-provided As-Built Drawings & closeout photos, and Post-Mod Antenna Mount Analysis report (completed by Tower Engineering Solutions, dated 7/31/19), it is the opinion of Infinigy that the site was built in general conformance with the site plans as prepared by Infinigy.

Please free to contact me at (518) 690-0790 if you have any questions or require additional information.

Sincerely,

Chris Warren, P.E.
