RE: TS-DISH-144-190422 – Dish Network Northeast, LLC (Dish) request for an order to approve tower sharing at an existing telecommunications facility located at 800 Booth Hill Road, Trumbull, Connecticut.

Dear Mr. Stone:

The Connecticut Siting Council (Council) received the tower share request for the above-referenced facility on April 22, 2019.

According to Section 16-50j-90 of the Regulations of Connecticut State Agencies, “no tower share application shall be approved until a complete application containing all information deemed relevant by the Council has been filed. Relevant information shall at a minimum include that listed in Section 16-50j-89 of the Regulations of Connecticut State Agencies...”

Staff has reviewed this tower share request for completeness and has identified a deficiency in the Construction Drawings (CD) dated April 4, 2019 and prepared by P. Marshall and Associates. The above-referenced document refers to the 2012 International Building Code (IBC); however, the 2018 Connecticut State Building Code (CSBC) which incorporates the 2015 IBC with amendments, became effective on October 1, 2018, and should be applied to this project.

Therefore, the tower share request is incomplete at this time. The Council recommends that Crown Castle provide an updated CD that references the 2018 CSBC, on or before May 24, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to May 24, 2019. **Please provide an electronic version and one hard copy of the updated CD for the incomplete request to be rendered complete and processed.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie A. Bachman
