Completion of Construction Activity

Dear Ms. Bachman:

The purpose of this letter is to notify the Siting Council that construction activity associated with the above-referenced facility installation has been completed. This matter appeared on the Council's most-recent audit letter dated April 10, 2019. I apologize for the delay in getting this letter to you.

If you have any questions or need any additional information regarding this facility please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
