RE: TS-DISH-145-231031 - Dish Wireless, LLC request for withdrawal of the approve tower sharing at an existing telecommunications facility located at Bald Hill Road, Union, Connecticut (Dish ID BOBOS00933A)

Dear Ms. Bachman,

With respect to the Dish tower sharing approval TS-DISH-145-231031 - Dish Wireless, LLC we respectfully request to withdraw our previously approved tower sharing at an existing telecommunications facility located at Bald Hill Road, Union, Connecticut (Dish ID BOBOS00933A)

Dish has opted to not proceed with construction at this location; as the costs far exceed the budget set for our build plans. Dish formally requests that our application be withdrawn/canceled. Dish did not install any equipment prior to the decision so the withdrawal is administrative only.

If Dish chooses to revisit the option at this location in the future; we will submit a new application for processing.

Sincerely,

April Parrott
