Mr. Nunez,

Infinigy has conducted a post construction review of the site referenced above. Infinigy has prepared the mount analysis for the aforementioned site and as such, we have conducted a final site review for the sole purpose to verify that the installation was completed in accordance with the analysis.

Based on our review of the signed and sealed mount analysis for this site issued by Infinigy (9/1/21), and the post construction photographs provided by the contractor, it is our opinion that the handrail kit was installed as recommended in the mount analysis prepared by Infinigy.
