RE: **EM-CING-147-210830** - New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 53 Gallup Road, Voluntown, Connecticut.

Dear Ms. Revak:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies.

This exempt modification request was submitted to the Council on August 30, 2021. Council staff reviewed this request for completeness and identified a deficiency that was more fully described in a notice of incompleteness letter to the requesting entity dated October 18, 2021 recommending that Centerline Communications provide a revised radio frequency emissions report listing each antenna and frequency in a given sector and provide the ERP and number of channels for each, on or before November 18, 2021. To date the Council has not received the requested information.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies and is hereby denied.

Sincerely,

Melanie Bachman
Executive Director
