Re: **EM-VER-148-161216 – Cellco Partnership d/b/a Verizon Wireless**  
**945 Center Street, Wallingford, Connecticut**

Dear Ms. Bachman:

On January 9, 2017, the Siting Council (“Council”) acknowledged receipt of EM-VER-148-161216, Cellco’s notice of intent to modify its existing telecommunications facility at 945 Center Street in Wallingford, Connecticut. The purpose of this letter is to notify the Council that the facility modifications approved in EM-VER-148-161216 were not completed and the approval has expired. Cellco will not, therefore, be supplying the Council with a construction completion notification.

On May 23, 2018, Cellco refiled its request for acknowledgement of these facility modifications in EM-VER-148-180525.

If you have any questions please contact me.

Sincerely,

Kenneth C. Baldwin
