Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 4, 2019, submitted on behalf of Cellco Partnership d/b/a Verizon Wireless (Verizon), requesting an extension of time to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

The Council hereby grants a six-month extension of time until December 18, 2019, to submit a notice of completion of construction and associated post modification inspection report, if applicable, for the above-referenced exempt modification.

This extension is granted with the understanding that the Council will be notified should Verizon need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman

**945 Center Street, Wallingford, Connecticut**

Dear Ms. Bachman:

On June 18, 2018, the Siting Council acknowledged Cellco's request for modifications to the existing telecommunications facility at 945 Center Street in Wallingford, Connecticut. Cellco has not yet completed the approved modifications at this site. Construction is expected to begin in the Summer of this year. In excess of caution, Cellco now requests an extension of the Council's approval for an additional three (3) months, to September 18, 2019.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
