Architect of Record:
Structural Engineer of Record: *Petros E. Tsoukalas, PE*

To the best of my information, knowledge and belief, the Special Inspections required for this project, and itemized in the *Statement of Special Inspections* submitted for permit, have been performed and all discovered discrepancies have been reported and resolved other than the following:

Comments: This evaluation of the as-built condition is based solely on the provided as-built photographs and redlined drawings. All redlined construction changes are considered to be structurally insignificant and deemed acceptable.

This evaluation is only valid for the linear and discrete appurtenances listed in the referenced documents. Any equipment that has been installed after the as-built photographs were taken is not part of this evaluation. Further, any equipment that has been installed, but was not captured in the provided as-built photographs, is not part of this evaluation. Maser Consulting reserves the right to amend this evaluation if more information is provided.

(Attach continuation sheets if required to complete the description of corrections.)

Interim reports submitted prior to this final report form a basis for and are to be considered an integral part of this final report.

Respectfully submitted,
Special Inspector
