Subject: EM-VER-150-220404 Approval Extension Request/6 Mountain Road, Washington, Connecticut

Good morning,

I'm hoping you can help me out again. I would like to extend subject approval. A former employee was supposed to request this extension a few months back but did not. I'm going through all our records and trying to get everything back on track.

Please accept this email as a formal **request to extend the approval decision** for Verizon Wireless' Exempt Modification at the subject site. Verizon is prepared to proceed and complete this construction at their earliest convenience as weather permits.

Should you need any further information concerning this request, please reach out to me at any time. I appreciate your consideration.
