RE: **EM-T-MOBILE-151-160518** – T-Mobile notice of intent to modify an existing telecommunications facility located at 150 Mattatuck Heights, Waterbury, Connecticut..

Dear Ms. Myl:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on May 18, 2016.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency. The parcel map has not been provided.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that T-Mobile provide the parcel map on or before June 6, 2016.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Very truly yours,

A handwritten signature in black ink, appearing to read "Melanie Bachman".

Melanie Bachman
Acting Executive Director
