RE: **EM-CING-151-160902** – New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 1389 West Main Street, Waterbury, Connecticut.

Dear Mr. Murshteyn:

The Connecticut Siting Council (Council) hereby denies your request to modify the above-referenced existing telecommunications facility, pursuant to Section 16-50j-73 of the Regulations of Connecticut State Agencies. The requested modification, as proposed, would increase the height of the existing flagpole tower and install an additional tower on the roof of the building.

Thus, the proposed modification is not in compliance with the exemption criteria in Section 16-50j-72 (b) of the Regulations of Connecticut State Agencies. The proposed project must be filed as a petition for declaratory ruling. The Petition for Declaratory Ruling filing guide is attached for your convenience.

Very truly yours,

Melanie Bachman
Executive Director
