Dear Karin Turner:

The Connecticut Siting Council (Council) is in receipt of your correspondence of October 11, 2024, submitted on behalf of AT&T, requesting an additional extension of time to submit a notice of completion of construction and associated post modification inspection report for the above-referenced exempt modification.

The Council hereby grants an extension of time until July 28, 2025, to submit a notice of completion of construction and associated post modification inspection report, if applicable.

This extension is granted with the understanding that the Council will be notified should AT&T need additional time to submit a notice of completion and associated post modification inspection report, if applicable, or decides not to proceed with construction.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Melanie A. Bachman".
