RE: **TS-CING-154-200225** – New Cingular Wireless PCS, LLC (AT&T) request for an order to approve tower sharing at an existing telecommunications facility located at 1542 Boston Post Road, Westbrook, Connecticut

Dear Attorney Chiocchio:

The current deadline for the Council to approve, modify, or deny the above-referenced tower share is April 25, 2020. Please be advised that there is currently a statewide effort to prevent spread of the Coronavirus and this may adversely impact upcoming scheduled energy/telecommunications meetings and other Connecticut Siting Council (Council) business. In the event that Council business is disrupted and/or delayed, the Council will need additional time to act on this tower share request. The Council hereby requests an extension of the decision deadline until May 29, 2020.

The consent to the requested extension of time shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Executive Director
