Re: **EM-VER-154-140623 – Cellco Partnership d/b/a Verizon Wireless  
782 Old Clinton Road, Westbrook, Connecticut**

Dear Ms. Bachman:

On July 16, 2014, the Siting Council acknowledged receipt of Cellco's notice of intent to modify its telecommunications facility at 782 Old Clinton Road in Westbrook, Connecticut. Due to delays in its antenna modification program and shifting budget priorities, the antenna modifications at this site will be completed sometime in calendar year 2016. Cellco has, therefore, decided that it will let the existing acknowledgement expire and will reapply for Council acknowledgement at a later date. Cellco will not, therefore, provide the Council with the required engineer's certification letter or "construction complete" notice as required by the existing acknowledgement.

If you have any questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
