RE: **TS-DISH-154B-210819** - DISH Wireless LLC request for an order to approve tower sharing at an existing telecommunications facility located at 798 Toby Hill Road, Westbrook, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) received the tower share request for the above-referenced facility on August 19, 2021.

According to Section 16-50j-90 of the Regulations of Connecticut State Agencies (RCSA), “no tower share application shall be approved until a complete application containing all information deemed relevant by the Council has been filed. Relevant information shall at a minimum include that listed in Section 16-50j-89 of the Regulations of Connecticut State Agencies...”

Staff has reviewed this tower share request for completeness and has identified a deficiency in the filing. The construction drawings (CD) prepared by Infinigy and dated June 17, 2021, and the structural analysis prepared by Crown Castle and dated April 13, 2021, both provided with the request, reference three T-Arm antenna mounts model no. MC-K6MHDX-9-96. This is inconsistent with the platform antenna mount model no. MC-PK8-DSH referenced in the mount analysis prepared by Trylon and dated July 27, 2021.

Therefore, the tower share request is incomplete at this time. The Council recommends that Northeast Site Solutions provide a mount analysis that is consistent with the rest of the filing, on or before October 15, 2021. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to October 15, 2021. **Please provide an electronic version and one hard copy of the requested information for the incomplete tower share request to be rendered complete and processed. Please include the Council’s tower share identification number referenced above with the submittal**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
