RE: **EM-T-MOBILE-155-190808** – T-Mobile notice of intent to modify an existing telecommunications facility located at 1030 New Britain Avenue, West Hartford, Connecticut.

Dear Ms. Sabo:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 8, 2019.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the filing due to lack of a copy of the original municipal approval of the tower. Specifically, page 2 notes that, "The facility was approved by the Town of West Hartford PZC...Please see attached." Such municipal approval is not attached to the exempt modification request. Therefore, the exempt modification request is incomplete at this time.

The Council recommends that Northeast Site Solutions provide a copy of the original municipal approval of the tower or alternatively, a letter from the municipality indicating that such records are not available, on or before September 16, 2019. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 16, 2019. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
