To the building official,

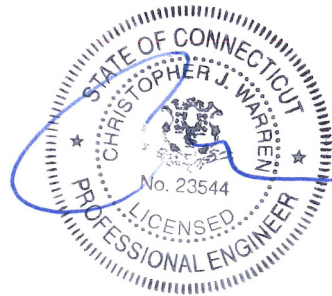

Infinigy has prepared the carrier upgrade site design for the above-mentioned site and conducted a final review of the proposed installation for the sole purpose of verifying that the installation was completed in accordance with the site plans.

Based on our review of the signed and sealed construction documents for this site issued by Infinigy (Revision 0, Dated 06/24/21), and the as-built drawings and post construction photographs, it is our opinion that the site was built in general conformance with the site plans as prepared by Infinigy.

Please feel free to contact me at (678) 444-4463 if you have any questions or require additional information.

Sincerely,

Christopher J. Warren, P.E.
