Building a better network.

Smart design. Quality construction. Reliable maintenance.

Final Construction Control Document

To be submitted at the completion of construction by a

Registered Design Professional
*for work per 2022 Building Code of
Connecticut State, Chapter 1, Section 107*

Project Title: Westport South (CTCN002103)

Date: 07.05.2023 Permit No. BLD-2022- 03058

Property Address: 20 Post Office Lane, Westport, CT 06880

Project: Check (x) one or both as applicable: **New construction** **Existing Construction**

Project Description: AT&T 5G NR 1SR CBAND Equipment Upgrade Project. Install mounts modifications. Replace (9) existing antennas with (9) new antennas, and (4) existing DC cables with (4) DC and (6) Y cables. Remove (6) existing TMA's, (6) existing diplexers, and (2) existing coax cables. Relocate (3) existing antennas, (6) existing radio units, and (3) existing surge protective devices to the new positions. Reference Construction Drawings dated 03.04.2023.

I, Dmitriy Albul CT Registration Number: 26725, Expiration date: 01.31.2024, am a *registered design professional*, and I have prepared or directly supervised the preparation of all design plans, computations, and specifications concerning:

Architectural
Fire Protection

Structural
Electrical

Mechanical
X Other: Entire Project

for the above-named project. To the best of my knowledge, information, and belief the work proceeded in accordance with the requirements of 2022 Building Code of Connecticut State and the design documents approved as part of the building permit period. However, the existing radio units were installed in a different location than specified in the CDs.

Nothing in this document relieves the contractor of its responsibility regarding the provisions of 2022 Building Code of Connecticut State Chapter 1, Section 107.

This document is based on the photos provided by the contractor.

Enter in the space to the right a "wet" or electronic signature and seal:
