RE: EM-SPRINT-158-180815 - Sprint notice of intent to modify an existing telecommunications facility located at 20 Post Office lane, Westport, Connecticut.

Dear Mr. Perkowski:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on August 15, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the above request for exempt modification. The notice of exempt modification cover letter contains incorrect information regarding the location of the facility, property owner, and officials notified.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Airosmith Development Inc. provide a revised notice of exempt modification with the correct information on or before September 21, 2018. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to September 21, 2018.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
