Re: **EM-VER-158-200812 – Cellco Partnership d/b/a Verizon Wireless Notice of Intent to Modify an Existing Telecommunications Facility Located at 880 Post Road East, Westport, Connecticut**

Dear Attorney Bachman:

This letter is in response to Siting Council's September 20, 2022 Statewide Facility Audit Memorandum and relates specifically to the above-referenced facility modifications. We are still waiting for a letter from a Professional Engineer verifying that the work was completed in accordance with the Council's approval. We expect to have that letter in-hand, later this week. Once we receive the engineer's letter we will forward it to the Council and close out this matter. Thank you for your patience.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
