RE: **TS-DISH-159-231026** - Dish Wireless, LLC request for an order to approve tower sharing at an existing telecommunications facility located at 75 Wells Road, Wethersfield, Connecticut. **Notice of Incomplete Request.**

Dear Victoria Masse:

The Connecticut Siting Council (Council) received the tower share request for the above-referenced facility on October 26, 2023.

According to Section 16-50j-90 of the Regulations of Connecticut State Agencies, “no tower share application shall be approved until a complete application containing all information deemed relevant by the Council has been filed. Relevant information shall at a minimum include that listed in Section 16-50j-89 of the Regulations of Connecticut State Agencies...”

The Council is not able to process or accept this request for tower sharing as the filing fee check #1201 was returned by the bank for stop payment. A copy of the documentation received from the bank is attached.

In addition, the incorrect structure type was identified within the cover letter under “E. Public Safety Concerns”.

Therefore, the tower share request is incomplete at this time. The Council recommends that a valid filing fee check in the amount of \$625 and a corrected cover letter for the structure type be submitted by November 15, 2023. If additional time is needed to submit the requested filing fee, please submit a written request for an extension of time prior to November 15, 2023.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
