RE: **EM-CING-160-200716** – New Cingular Wireless PCS, LLC (AT&T) notice of intent to modify an existing telecommunications facility located at 47 Turnpike Road, Willington, Connecticut.

Dear Ms. Hebel:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on July 16, 2020.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified the following deficiencies:

1. No property card for the underlying property has been provided with the request;
2. The request for exempt modification lacks proof that the entire request for exempt modification was mailed to the underlying property owner listed in the Town's property card as Hazel M. Barber; and
3. The exempt modification request lacks documentation of the original facility approval and any conditions of such approval or correspondence with the Town of Willington stating that the Town no longer retains records of its decision.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications provide a property card for the underlying property, documentation showing the original facility approval with conditions if any or correspondence with the Town stating that there are no records of the original facility approval and evidence that notice of this exempt modification request was provided to the underlying property owner on or before August 31, 2020. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to August 31, 2020. **Please provide an electronic version of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

s/ Melanie A. Bachman
