RE: **EM-T-MOBILE-161-170525** - T-Mobile notice of intent to modify an existing telecommunications facility located at 144 Chestnut Hill Road, Wilton, Connecticut.

Dear Mr. Simons:

The Connecticut Siting Council (Council) is in receipt of your letter dated June 28, 2018, submitted on behalf of T-Mobile, requesting an extension of time to submit a notice of completion of construction for the above-referenced exempt modification.

The Council hereby denies the request for an extension of time to modify the facility. Pursuant to Conditions 7 and 8 of the Council's decision letter dated June 12, 2017 for the exempt modification request, the Council's approval of the modification expired on June 12, 2018 and the applicant did not submit a request for an extension at least 60 days prior to the expiration.

Any modifications to this facility will require explicit notice to the Council pursuant to Regulations of Connecticut State Agencies Section 16-50j-73 and a filing fee.

Thank you for your attention to this matter.

Sincerely,

Melanie A. Bachman
