RE: **TS-T-MOBILE-161-241104** – T-Mobile request for an order to approve tower sharing at an existing telecommunications facility located at 180 School Road, Wilton, Connecticut.

Dear First Selectperson Boucher:

The Connecticut Siting Council (Council) is in receipt of the Town of Wilton's correspondence dated November 14, 2024 concerning the above-referenced request for tower sharing. Thank you for taking the time to provide the Council with your comments.

Before making a final decision on a tower share request, the Council carefully considers the proposal in accordance with the required feasibility criteria under Connecticut General Statutes §16-50aa. Entities requesting to share an existing telecommunications facility must demonstrate that the proposal is consistent with the Tower Sharing Policy of the State of Connecticut, which encourages the sharing of towers for fair consideration whenever technically, legally, environmentally and economically feasible, and whenever such sharing meets public safety concerns, will avoid the unnecessary proliferation of towers and is in the public interest.

Thank you for your interest and concern in this very important matter.

Sincerely,
