RE: **EM-T-MOBILE-162-180615** - T-Mobile Northeast LLC notice of intent to modify an existing telecommunications facility located at 15 (108) Oakdale Avenue, Winchester, Connecticut.

Dear Mr. Murshteyn:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on June 15, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the filing due to a lack of specific dates for which this temporary installation will be in use.

The above referenced exempt modification request does not indicate the approximate start/end dates for this temporary antenna as stated in the introductory letter and sheet G001 of the site plan.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Centerline Communications provide the start and end dates for the temporary antenna on or before July 10, 2018. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to July 10, 2018.

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman  
Executive Director
