RE: **EM-VER-163-220907** – Cellco Partnership d/b/a Verizon Wireless notice of intent to modify an existing telecommunications facility located at 10 Northridge Road, Windham, Connecticut.

Dear Denise Sabo:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on September 7, 2022.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "...any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the Structural Analysis Report provided with the filing. The Structural Analysis Report provided is dated September 8, 2021. The Council had received a tower share request from Dish for the same facility on June 7, 2022 and approved such request on July 11, 2022. The above-referenced request for exempt modification does not include Dish's approved equipment. Please see Dish's tower share request for this facility, which may be found on the Council's website under the Decisions page in Windham under the filing number TS-DISH-163-220607.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Verizon provide an updated Structural Analysis Report for the facility referencing the Connecticut State Building Code effective October 1, 2022 and including the proposed and approved equipment owned and operated by Verizon and other entities that are located at this facility on or before November 14, 2022. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to November 14, 2022. **Please provide an electronic version and one hard copy of the requested information for the incomplete exempt modification to be rendered complete and processed. Please include the Council's exempt modification identification number referenced above with the submittal.**

This notice of incompleteness shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,
