RE: **EM-AT&T-164-221007** - AT&T notice of intent to modify an existing telecommunications facility located at 340 Bloomfield Avenue, Windsor, Connecticut.

Dear Domenica Tatasciore:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated October 12, 2022 requesting withdrawal of the above-referenced exempt modification. The Council hereby acknowledges your request to withdraw the exempt modification.

The Council declares this exempt modification to no longer be pending before this agency.

The check for this filing has already been deposited. If you plan on submitting the antenna upgrade before the end of the year, the revised filing can be submitted without a check as the Council will consider the filing pre-paid by the cancellation of this filing.

Should you have any questions, please feel free to contact the Council office.

Thank you for your attention to this important matter.

Sincerely,

Melanie A. Bachman  
Executive Director

Good morning,

I would like to pull this application as I have now been informed that the antenna models will be changed.

Not sure if the accompanying check has been deposited yet, but if not, could you please write VOID on it and send me a image of it via email? Please advise of its status.

Thank you!
