RE: TS-EYE-164-160606
Eye-Tower- Crown Site BU: 841793
Address: 50 Pine Lane, Windsor, CT

Dear Ms. Bachman:

This letter is to confirm that all construction activity have been completed. Pursuant to the Connecticut Siting Council approval of **TS-EYE-164-160606**.

Also, a generator, which was approved by the CSC to be installed with the Eye-Tower equipment at this location was not installed during construction. The Town of Windsor issued a permit to install the generator but when it came time to actually install, the Town of Windsor prohibited the installation, so the generator was relocated to TS-077-160606.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Jeff Barbadora', written over the printed name.
